DATUBĀZĒS LIETOTĀJA CEĻVADIS

**Cambridge Journals Online (CJO)** ir Cambridge University Press publicēto drukāto un elektronisko akadēmisko žurnālu datubāze. LU datortīklā pieslēgties datubāzei iespējams no Latvijas Universitātes Bibliotēkas tīmekļa vietnes [šeit](#) vai izmantojot interneta adresi: <http://journals.cambridge.org/action/login>. Ārpus LU telpām datubāzei varat piekļūt autorizējoties ar LU lietotājvārdu un paroli [šeit](#).

Pēc veiksmīgas pieslēgšanās, atveras meklēšanas lapa, kuras kreisajā augšējā stūrī redzams šāds uzraksts:

## VIENKĀRŠĀ MEKLĒŠANA (Quick search)

Datubāzes sākulapā pieejams vienkāršās meklēšanas logs. Meklēšanu, izmantojot atslēgvārdus, var veikt visā žurnālu un grāmatu saturā, pēc žurnālu tematikas vai CJO interneta vietnē.

Lai saistītu atslēgvārdus, ieteicams izmantot **Bula operatorus**:

**AND – un** (kombinē atslēgas vārdus)

**OR – vai** (kombinē atslēgas vārdus)

**NOT – ne** (izslēdz atslēgas vārdu)

**un zīmes:**

? - lai aizstātu kādu burtu

\* - lai meklētu vārdu ar dažādām galotnē

The screenshot displays the Cambridge University Press Journals website. At the top, there is a navigation bar with links for Home, CJO Mobile, Contact Us, Site Map, Help, FAQ, Accessibility, and Register. Below this is the Cambridge Journals logo and a search bar. The search bar contains the text "sociology" and a "Search" button. A dropdown menu is open, showing options: "All Journal and Book Content", "All Journal and Book Content", "Journal Content", and "General CJO Site Content". A callout box on the left points to the search bar with the text "Vienkāršā meklēšana". Below the search bar, there are links for "Advanced Search" and "CrossRef Search". The main content area features a banner for "Systems, Latvia" with a "Register for an Account" button. Below the banner, there is a section for "SPECULUM" and a "Browse Journals" section with a dropdown menu set to "All Categories".

## PAPLAŠINĀTĀ MEKLĒŠANA (Advanced Search)

Paplašināto meklēšanu lieto, lai iegūtu precīzākus meklēšanas rezultātus. Pēc atslēgvārda ierakstīšanas un meklēšanas lauka izvēles, jāspiež **<Search>**. Papildus iespējams iestatīt meklēšanu konkrētā laika posmā un izvēlēties laukus, ko iekļaut meklēšanas rezultātu sarakstā. Šos laukus var atstāt arī neaizpildītus.

The screenshot displays the 'Advanced Search' page of the State Agency Culture Information Systems, Latvia. The interface includes a search form with several sections:

- Search on:** A dropdown menu with options like 'Anywhere', 'Full Text', 'Article or Chapter Title', 'Author or Editor', 'Affiliation', 'Abstract', 'Keywords', 'DOI', and 'ISSN or ISBN'. A callout 'Meklēšanas lauka izvēle' points to this menu.
- Search for:** A text input field containing 'Smith'. A callout 'Atslēgvārdu ievade' points to this field.
- Bula operatori:** A column of dropdown menus, each set to 'AND'. A callout 'Bula operatori' points to these menus.
- By Date:** Fields for 'From' (January 1700) and 'To' (December 2011). A callout 'Laika posms' points to these fields.
- Fields to Be Returned:** A list of fields including 'Article Title', 'Article Subtitle', 'Author(s)', 'Journal Title', 'Volume No.', 'Issue No.', 'Issue Date', 'DOI', 'Publication Date', and 'Page Range'. A callout 'Lauku izvēle rezultāta atspoguļošanai' points to this list.

On the left side, there is a navigation menu with 'CAMBRIDGE JOURNALS' and 'matika Matematika' logos, and a 'TOOLS' button.

## MEKLĒŠANA PĒC ATSAUCĒM (Citation Search)

Atsauču meklēšanu var izmantot gadījumos, ja ir zināms konkrēts raksts, tā bibliogrāfiskie dati vai daļa no tiem. Šis meklēšanas veids piedāvā ātru un konkrētāku meklēšanu.

The screenshot displays the Cambridge Journals Online website interface. At the top, the 'CAMBRIDGE JOURNALS' logo is visible on the left, and 'Basket' and 'Log in' links are on the right. A navigation menu includes 'About Us', 'News', 'Browse Journals', 'Authors', 'Societies', 'Librarians', 'Agents', 'Users', and 'Corporate'. The 'Citation Search' option is highlighted with an orange box. Below the navigation, there is a search bar with fields for 'Type part of journal title here', 'Author', 'Year', 'Volume', 'Issue', and 'Page', along with a 'Search' button. To the right of the search bar are links for 'Advanced Search' and 'CrossRef Search'. The main content area features a 'Welcome to Cambridge Journals Online' message with a 'Register for an Account' button. Below this is a promotional banner for 'The Journal of Politics' with the text 'A leading general journal of political science' and 'Publishing path-breaking research in all subfields from all parts of the world'. To the right, there is a section for 'CJO has three releases of new and updated functionality each year...' with a 'Read More' button. Further down, there are buttons for 'New CJO Features', 'New Journals for 2012', 'News & Announcements', and 'Journals Price List 2012'. A 'Browse Journals' section includes a dropdown menu for 'All Categories' and buttons for 'Browse by Subject' and 'Browse by Title'. On the far right, there is a section for the 'British Journal of Nutrition' with a brief description of its content.

## REZULTĀTU SARAKSTS (Search Results)

Meklēšanas rezultāti tiek atspoguļoti saraksta veidā. Noklusētais saraksta kārtojums ir pēc atbilstības (<Relevancy>). Sarakstu iespējams kārtot augoši (ascending) un dilstoši (descending) pēc publikācijas (<Publication date>) un pieejamības tiešsaistē (<Online date>) datuma, autora (<Author>) un žurnālā numura lappuses (<Page number>).

Ir iespējams iestatīt ierakstu skaitu lapā (<Results per page>) un pārlēkt uz konkrētu rezultātu saraksta lapu (<Go to page>).

Rezultātiem, kas pieejami apskatei, pie ieraksta nosaukuma pievienots zaļš simbols.

The screenshot shows a search results page with the following elements and callouts:

- Callout 1:** "Rezultātu kārtošana un pārvietošanās pa sarakstu" (Sorting and navigation of results) points to the "Relevancy" dropdown menu in the "Search Parameters" section.
- Callout 2:** "Pieejamie pilna teksta ieraksti" (Available full-text records) points to a green circular icon with a white 'S' next to the first search result.
- Callout 3:** "Apskatīt raksta pilno tekstu PDF formātā" (View full-text of the article in PDF format) points to the "View PDF (301 KB)" link for the first result.
- Callout 4:** "Meklētie atslēgvārdi ir iezīmēti" (Searched keywords are highlighted) points to the highlighted text "United Kingdom" in the second search result.

The page header includes "Welcome to State Agency Culture Information Systems, Latvia" and "Library of the University of Latvia". The search results section shows "Search Parameters" with a dropdown set to "Relevancy", "Results per page" set to 50, and "Page 1 of 1881". The search returned 94047 results. The first result is "USING EVIDENCE IN THE DEVELOPMENT OF LOCAL HEALTH POLICIES" by Helen Weatherly, Michael Drummond and Dave Smith, published online on 23 December 2002. The second result is "Marine Biological Association of the United Kingdom", published online on 11 May 2009.

# IERAKSTA APSKATE

The image shows a screenshot of a journal article page with several callouts in orange speech bubbles pointing to specific features:
