Program: Doctoral Nominations

The Vanier Canada Graduate Scholarships (CGS) program is administered by Canada's three research granting councils (the Canadian Institutes for Health Research, the Natural Sciences and Engineering Research Council, and the Social Sciences and Humanities Research Council). The Vanier CGS program aims to attract and retain world-class doctoral students by supporting students who demonstrate a high standard of scholarly achievement in graduate studies in the social sciences and humanities, natural sciences and engineering, and health; as well as leadership skills. Both Canadian and international students are eligible to be nominated for a Vanier Canada Graduate Scholarship.

A Vanier Canada Graduate Scholarship is valued at \$50,000 per year, for up to three years. For more details, please visit contact:
