In this session Dr. Andres Fontalba Navas (Malaga, FOSTREN Working Group 1 leader) will present a draft accreditation model which could form the basis for the FOSTREN Consensus Statement. A copy of the draft will be sent to all participants prior to the meeting for preparatory reading. The task in the session is to develop the document towards a version which can be shared with all FOSTREN members over the summer for further comment and consensus-building. The final version of the Consensus Statement will be approved at the FOSTREN / EViPRG meeting in Lyn (September, 2024).meeting in Lyn (September, 2024).
