How can I register for the program?
You can register for the program by filling in this form and sending it to the e-mail kpmi@lu.lv.

Requirements and certification
By registering for the VIRT2UE train the trainer program you have the opportunity to become a certified trainer in the field of ERI. Trainers who participate in the VIRT2UE train the trainer program will receive a certificate if they have trained ten further trainers. This can either be done during the interim period, when the exercises are applied in practice, or after finishing the program. The training language is English, also online and printed training materials provided during the course are in English.

Costs
You will not be charged a participation fee, as well as we will provide coffee breaks and lunches. However, you will have to cover travel and accommodation costs yourself.

How we will choose the trainees?
We plan to train 20 trainees from Estonia, Latvia, Lithuania and Poland. If there are more applications, we will choose the trainees based on their motivation, experience in the field of research ethics and geographical representation.

When and where will the face-to-face trainings take place?
The face-to-face training will take place on June 15-16 and August 28, 2020 (2+1 days). The trainings will take place in the University of Latvia, the House of Science (Jelgavas Str. 3, Riga, Latvia) https://www.akademiskaiscentrs.lu.lv/en/buildings/the-house-of-science/

Further information on our training program, as well as ERI in general, is available on the Embassy of Good Science (www.embassy.science), an online wiki platform which serves as a hub for all those who want to learn and provide education on how to do good science.

REGISTRATION FORM

Please use the Tools – Fill & Sign function to fill in this PDF form OR print, fill in and scan the document.
