

# Baltic Entrepreneurial Summerschool 2013

**12 – 23 August,  
2013**

**If you are a non-business student and would like to develop your entrepreneurial skills in a European students' team, join us for Baltic Entrepreneurial Summerschool 2013 which is going to take place within Erasmus Intensive program "Learning for entrepreneurship in health, behavioural, engineering & life sciences" in Riga from 12 to 23 August!**

## **We offer:**

**An 11-day program** on entrepreneurial behavior (10 working days, 1 day social program).

**The program will focus on:** idea generation for innovative businesses, intrapreneurship & intuition, social entrepreneurship, leadership, social competences such as *networking* & negotiating, scouting & selection and talent management.

The interactive program will be based on workshops, field work and learning by doing assisted by teachers of six European universities and entrepreneurs.

The successful realization of the program will be certified with a **corresponding document**.

**You will work in an international environment together with students from:**

- Wageningen University (the Netherlands),
- HAN University of Applied Sciences (the Netherlands),
- Strascheg Center for Entrepreneurship, Munich University of Applied Sciences (Germany),
- Brno University of Technology (Czech Republic),
- Tallinna Tehnikakõrgkool (Estonia);
- University of Latvia (Latvia).

**The program is free; it covers as well:**

project excursions, course materials, the social program, dinner in welcome, farewell and cultural program parties, coffee breaks during working days.

## **How to apply**

The program is open for students of Bachelor and Master programs of the University of Latvia.

If you are interested and want to apply or have questions, please contact

**Karine Oganisjana**,  
the project coordinator  
from the University of Latvia  
mob. 26592568  
[Karine.Oganisjana@lu.lv](mailto:Karine.Oganisjana@lu.lv)

You can also contact **Liva Goba**, a participant of the previous year's Baltic Entrepreneurial Summerschool 2012

The **deadline** for applications is **31 May, 2013**.

Apply for the summerschool electronically attaching as well a recommendation letter from one of the University staff members.

Fluent English, high motivation for acquiring entrepreneurial skills and sense of responsibility are the main criteria in the contest of the candidates for the summer school!

*"Entrepreneurship is living a few years of your life like most people won't, so that you can spend the rest of your life like most people can't."*
