

## University of Latvia, Faculty of Biology

### Draft list of study courses, autumn 2021

Course descriptions for the courses in English can be viewed under: <https://www.lu.lv/en/nc/studies/study-process/courses/courses/>  
 Courses offered by other faculties for Erasmus students can be viewed under: <https://www.lu.lv/en/gribustudet/arzemju-studentiem-eng/exchange/courses/>

Course title	Course code	ECTS	Course level	Comments to the courses
<i>Ecology of Populations and Communities</i>	Biol3044	3	Bachelor	Course in English if there are more than <b>3</b> exchange students enrolled in the course, in other cases - individual work
<i>Preparation of Projects and Publications</i>	Biol3097	3	Bachelor	Course in English if there are more than <b>3</b> exchange students enrolled in the course, in other cases - individual work
<i>General Ecology I</i>	Biol2040	3	Bachelor	Course in English if there are more than <b>3</b> exchange students enrolled in the course, in other cases - individual work
<i>Environmental Protection for Biologists</i>	Biol3234	3	Bachelor	Course in English if there are more than <b>3</b> exchange students enrolled in the course; in other cases - individual work
<i>Ichthyology and Fish Ecology</i>	Biol5100	4.5	Master	Lectures in Latvian, practical works in English, as well consultations and individual work with students in English
<i>Biological Oceanography</i>	Biol5063	4,5	Master	Lectures and practical works in English, if there is at least <b>1</b> exchange student enrolled in the course
<i>The Topical Problems of Aquatic Ecology</i>	Biol5023	4,5	Master	Individual work with exchange students and consultations in English

<i>Sports and Extreme Conditions Physiology</i>	Biol5011	4.5	Master	Course in English if there are at least <b>3</b> exchange students enrolled in the course; in other cases - individual work
<i>Physiology of Blood Circulation</i>	Biol5166	6	Master	Course in English if there are at least <b>3</b> exchange students enrolled in the course; in other cases - individual work
<i>Introduction to Bioinformatics</i>	Biol5022	3	Master	Course in English if there is least <b>1</b> exchange student enrolled in the course
<i>Molecular Biology and Genetics</i>	Biol5049	6	Master	Full course in English
<i>English for Biologists II</i>	Valo1282	3	Bachelor	Full course in English
