Testimonial

ARSHPREET, from Australia

I am from Australia and have already spent one semester at ESSCA Angers. As I wished to discover more countries in Europe I decided to spend one more semester at another site of ESSCA: this is how I chose ESSCA Budapest. Before I came to Europe I was told by some of my schoolmates at the Western Sydney University that the options and courses at ESSCA were very good and well fitting to my specialization. I arrived in Budapest last night and the sightseeing tour ESSCA organised for the students gave me a very nice first impression of the capital city.

Central and Eastern Europe in focus
